How to Submit Comments to the FERC PennEast Docket

Our goal is to submit as many substantial, fact-based comments as possible. Please submit multiple comments between now and September 12!

Option #1: e-Comment

1. ### Click the e-Comment link:

   https://ferconline.ferc.gov/QuickComment.aspx

2. ### Enter Your Information

   -- Include Name, Email address, and phone number (optional).
   -- Type the characters in the picture into the box provided.
   -- Click "Authorize".

3. ### Check Your Email

   -- Look for the "FERC eComment Request" email.
       -- Ensure your email system does not block emails from ferc.gov; check "Junk" or "Spam" mail
   -- In the email, click on the first link to display the "Submit eComment" screen.

4. ### Enter the Docket Number

   -- Enter **CP15-558-000**, the PennEast pipeline docket number.
   -- Click "Search".
   -- After a moment, the PennEast Application will appear in the search results.

   Click the blue "**+**" button to add it to your "Selected Dockets".

5. ### Enter Your Comments

   -- Enter your comments by typing directly onto the submission webpage, or Copy and Paste your comments from a Word or text document.

6. ### Send Your Comments

   -- Simply click the "Submit" button and your comments will be sent to FERC.

Option #2: e-File a Comment (for Letters and Attachments)

e-Filing allows you to upload documents to the FERC PennEast docket. To e-File, you must be registered and have your FERC ID. If you do not, you can e-Register at: **https://ferconline.ferc.gov/eRegistration.aspx**

1. **Click the e-File link to log-in with your ID:**

    https://ferconline.ferc.gov/LogIn.aspx

2. **Click the e-Filing link**

3. **Enter Filing Type Information**

    - **Click** "General" in the first column.
    - **Click** "Comment (on Filing…) in the second column.
    - **Click** "Next"

4. **Enter Docket #**

    - **Enter** CP15-558-000
    - **Click "**Search"
    - **Click** "**+**" to Select
    - **Click** "Next"

5. **Submit your comments and, if applicable, upload supporting documents**

    - **Choose** "File" (or "Browse")
    - **Locate** your folder with the file(s) you seek to upload (e.g. TXT file, Word .Doc or a .PDF; you can provide comments in a variety of formats; visit http://www.ferc.gov/docs-filing/elibrary/accept-file-formats.asp for details.)
    - **Click** "Upload" to include your file(s)
    - **Click** "Next"

6. **Specify Filing Party**

    - **Click** the "As an Individual" button
    - **Click** "Next"

7. **Enter your email address**

    - **Enter** your email address (the one you used to register with FERC)
    - **Click** "Add as Signer"
    - **Click** "Next", after you see your email address appear in the box at the bottom

8. Submit

- **Click** "Submit" button. Your submission is now complete.

Option #3: Mail a Comment to the FERC PennEast Docket

We advise you submit your comments electronically, but if you are unable to, you may submit via mail. If so, we encourage you to **mail by mid-August** to ensure receipt and filing.

Mail to:

Nathaniel J. Davis, Sr., Deputy Secretary
Federal Energy Regulatory Commission
888 First Street, NE, Room 1A
Washington, DC 20426

Reminders for all comments submitted to FERC:

In your comments, you should:

1. Demand that FERC **withdraw** the DEIS;

2. Ask FERC to **extend** the public comment period until a complete DEIS is available for review; **and**

3. Point out **specific problems** in the DEIS, including assumptions, missing information, and issues that are either ignored or insufficiently addressed.

You should raise as many different points in your comments as possible. Include **detailed notes, specific data and unique stories about how you, your family, your community, and your property or business would be impacted by PennEast.**

For help drafting or submitting your letter:
1. **Attend a workshop**
2. Contact Charles Slonsky cslonsky@icloud.com, Mike Spille mike.spille@gmail.com or Alix Bacon alix@njconservation.org for support.

Finally, also be sure to **attend at least one of the six FERC public hearings** to show your opposition to PennEast.

Together, let's STOP PENNEAST!
