

THINK NEW JERSEY NEEDS MORE NATURAL GAS?

**MORE NATURAL GAS IS THE LAST
THING NEW JERSEY NEEDS.**

THERE'S NO DEMAND FOR MORE GAS.

Gas consumption is projected to decline*.

THERE'S NO NEED FOR ANOTHER PIPELINE.

PennEast pipeline alone would deliver 53% more gas than currently used**.

**THERE'S NO PUBLIC NEED FOR A PRIVATE
COMPANY TO SEIZE PRIVATE LAND.**

Private land and preserved open space should not be taken for corporate gain.

**PENNEAST IS ABOUT PRIVATE PROFIT –
NOT PUBLIC BENEFIT.**

The true intent is to deliver gas to markets beyond NJ and PA**. PennEast will profit, while New Jerseyans pay the price!

TELL NEW JERSEY LAWMAKERS TO STOP PENNEAST!

Because renewable energy can't wait.

RethinkEnergyNJ is a campaign led by New Jersey Conservation Foundation, Stony Brook-Millstone Watershed Association, and Pinelands Preservation Alliance.

* Natural gas consumption in NJ, NY and PA is expected to decline through 2025, and stay flat through 2040, U.S. Energy Information Administration
